I John T. Wallace dug a well to supply a home that I built on Bonner County, Idaho property tax lot RP54N03W134901A. The home first received water for domestic use from a hand dug well on August 1, 1966. A older hand dug well on nearby property that I own supplied water for livestock.

I replaced the hand dug well with a drilled well (IDWR Tag Number D0005835) that was completed on April, 8 1999. I sold the property to Franks who later sold the property to the current owners. James and Donnamarie Aylward.

I continue to own nearby property and am familiar with the wells on the Aylward property.

Sincerely.
