Dear Shaun,

Thank you for sending me all the paper work for the IDWR claim. I talked to Edward Thomas and he stated that his well on the IDWR claim was located about a mile from our property off the Trails of CDA by the bridge. He's going to check with planning & zoning to get the correct pin and give you a call to redo his IDWR claim. Anyway as you can see on the map our well is located at 35 Vets Road and the cross street is Lahde Hill Road. Per your request I have also included the history of the property and the map where I marked where the well is located. The property was originally owned by W. Hanks who sold it to E. Allman and he quick claimed it to James LaGoy who we bought it from. If you have any questions please feel free to call me or Mark Hart at 208-682-4752.

Sincerely,

Sherry Hart
