TO: Brian Hansen FAX 435-827-5744

Brian,

- I wanted to let you know that I did go out and look at your wells, etc. the other day. It looked like the well in the middle of the field (SESE of Section 7 has possibly been abandoned?) The claims of Wayne Rich listed that well as a "point of diversion", so I wanted to ask if that is no longer the case?
- Another pump and motor had been pulled but I assume to be worked on and that this is still a valid well and point of diversion? (SWNESEW of Section 18)
- A43-10517 for 47 acres is a "Beneficial Use" claim and thus needs evidence of priority date and well pumping information submitted.
- Please submit Change of Ownership form and deeds for the Wayne Rich claims.

Thanks,

Jeanie Robertson (208) 736-3037 (FAX)
