Change of Address

pp. I am still checking on these

Dear Water Right Holders:

Rights Not sure if all correct

IDWR has been notified the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your water right or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list any other water rights you may have before returning this letter by February 20, 2001. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records.

If there has been a change in ownership of the property connected with the water rights referenced above, please call this office toll-free at 1-800/451-4129 to obtain a form to make this required change to the water right record.

Sincerely,

Sally

MEMORANDUM

To: FILE A43-02346A, A43-02346H, A43-02346J, A43-02346K
From: HELEN HARRINGTON-THORNTON ~~HTT~~
Date: January 22, 1993
Subject: CLAIM SPLIT IN RECOMMENDATION

=====

The original claim filed in Fosha vs. Dunn Adjudication, A43-02346A, was amended in 1989 during the Snake River Basin Adjudication. That amended claim stated in remarks that there were three distinct, unconnected system serving the place of use. This remarks was confirmed by the field work conducted by Loren Holmes and Allen Merritt in 1985.

Therefore, the claim has been recommended as three splits (H, J, K) in order to describe the systems separately.

A43-02346A	11.08 cfs	640 acres
A43-02346H	5.568	320 ac (NW4, SW4, S.28)
A43-02346J	2.784	160 ac (NE4, S.28)
A43-023246K	2.732	157 ac (SE4, S.28)
	11.08 cfs	637 ac.

Diversion rate was not reduced be cause rate per acre is less than 1" per acre.

MICROFILMED

MEMORANDUM

To: FILES

From: Helen Harrington-Thornton ^{HHT}

Date: January 22, 1993

Subject: Claims Originally Filed in Fosha vs. Dunn Adjudication
=====

This claim was originally filed in the Fosha vs. Dunn Adjudication which has subsequently been consolidated with the SRBA. Claimants in Fosha vs. Dunn were not required to file a new claim in the SRBA. In some cases, however, claimants may have filed an amended claim in the SRBA.

The original claims consist of both an original white copy with the original signature and a yellow carbon. Both of these forms must be retained in the IDWR files. The original form included a green carbon which is the claimant's copy. As stated above, there may also be an amended claim.

The review of this claim initially occurred in 1985/1986 by IDWR Adjudication staff. The review process included field examination by IDWR Southern Region Staff (Loren Holmes and Allen Merritt) in 1985 and additional review by IDWR State Office staff (Don Shaff, John Noyes and Forrest Luthy). The claim review documents include:

- // Final recommendation - shown on zeroxed copy of claim, with recommendation shown in RED
- // Adjudication Claim Analysis Sheet (consider this a replacement for the currently used Claims Verification Report (CVR))
- // Map
- // Correspondence, Memos to File, etc.
- // Zerox of original receipts (this is because the original receipt was hand written, prior to the computer receipting). However, in most instances, a voided receipt has been created in the computer in order to update the record to the Host Master.

I have reviewed the claim at this time in order to evaluate the completeness of the original review and have it meet current standards. I have created an R record and verified the recommendation when possible. Generally, the review is based on information available at the time of the original review in 1985/86. Unless there is a discrepancy, additional information of more recent origin has not been added to the review process.
