

DIRECTOR'S REPORT

Water Right Nos. 37-891A, 37-891C, 37-892 and 37-20945

In Re SRBA

Twin Falls County Civil Case No. 39576

Report to the SRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Interim Director
Carter Fritschle, Manager, Adjudication Section

April 30, 2012

DESCRIPTIVE SUMMARY

This is a Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

Water right claims 37-891A, 37-891C, 37-892 and 37-20945 were submitted to IDWR shortly before the filing of the Director's Report, Reporting Area 16, IDWR Basin 37 Part 3, Irrigation and Other Uses on February 21, 2007. IDWR was unable to properly investigate the claims prior to the filing of the February Director's Report, and the rights remained unrecommended. During a recent internal search for possible outstanding SRBA claims, IDWR discovered it had not yet reported these claims. Rights 37-891A, 37-891C, and 37-892 are claimed by the Upper Wood River Water Users Association, Inc. while right 37-20945 is claimed by Jeanie Sligar and Matthew Thornton. As all four claims may involve the same saved water, IDWR feels they should be considered together. In order to move the claims forward as soon as possible, the Director submits for filing a Director's Report for water rights 37-891A, 37-891C, 37-892 and 37-20945.

Respectfully submitted this 30th day of April, 2012.

CARTER FRITSCHLE
Manager, Adjudication Section

04/30/2012
