Dear Janet:

Pursuant to our telephone conversation, I am enclosing the Round 3 proposed amended director's reports. I provided the proposed amended director's reports to the parties for their review on December 30, 2011. After their review, the parties stipulated to the elements of the water rights as described in the proposed amended director's reports during the April 4, 2012, status conference. Accordingly, these water rights are ready to move forward to Special Master Reports & Recommendations as described in the attached proposed amended director's reports.

I am also enclosing digital boundary maps and CDs for those which required adjustment.

If you should have any questions, or if I can be of further assistance, please don't hesitate to contact me at (208) 287-4810.

Sincerely,

Ray Williams
