RE: Notice of Second Round Service

Dear Property Owner:

Idaho Department of Water Resources' (IDWR) records indicate that you may have an ownership interest in Water Right No. 91-4137, which has not been claimed, or possibly not claimed in its entirety in the Coeur d'Alene-Spokane River Basin Adjudication (CSRBA). Please see the enclosed Second Round Service of Commencement Notice CSRBA Basin 91 (Second Round Notice) for a description of the type of water rights that must be claimed in the CSRBA.

There are many instances in which the recorded water right describes uses that are in excess of the actual water use. You may disregard this notice if you have already filed a Notice of Claim to a Water Right in the CSRBA for the full extent of your water use, or if the water use on your property is described on page 2 of the Second Round Notice, under the following: "Who does not need to file a notice of claim with IDWR?"

If you decide to file a Notice of Claim to a Water Right, you may file a claim online by going to IDWR's website: https://www.idwr.idaho.gov/onlineclaimstaking/login.aspx, or you may obtain forms and assistance at any of IDWR's offices shown on the third page of the enclosed notice.

If you have any questions or need more information about the water rights on record that are appurtenant to your property, please call the toll free Adjudication Hotline, 1-800-451-4129, or send an email to the Northern Idaho Adjudication help desk: NIAHelp@idwr.idaho.gov.

Sincerely,

Carter Fritschle
Adjudication Section Manager
Idaho Department of Water Resources
