RE: ADJUDICATIONS CLAIMS

Dear Mike,

Enclosed are the aerial photos I promised to send for your two properties. I've also included profile reports of how they were claimed. As I said on the phone, at this point I'm inclined to recommend the two Statutory Claims (A43-04146 and A43-04206) as Expansion claims per 42-1416b, with a 6/30/1985 priority date and no additional diversion rate or volume.

I've also included a couple of our pamphlets explaining water rights in general and what can be used for Evidence of Priority.

Please feel free to give me a call at the office if you have any questions or if I can explain any of these things further.

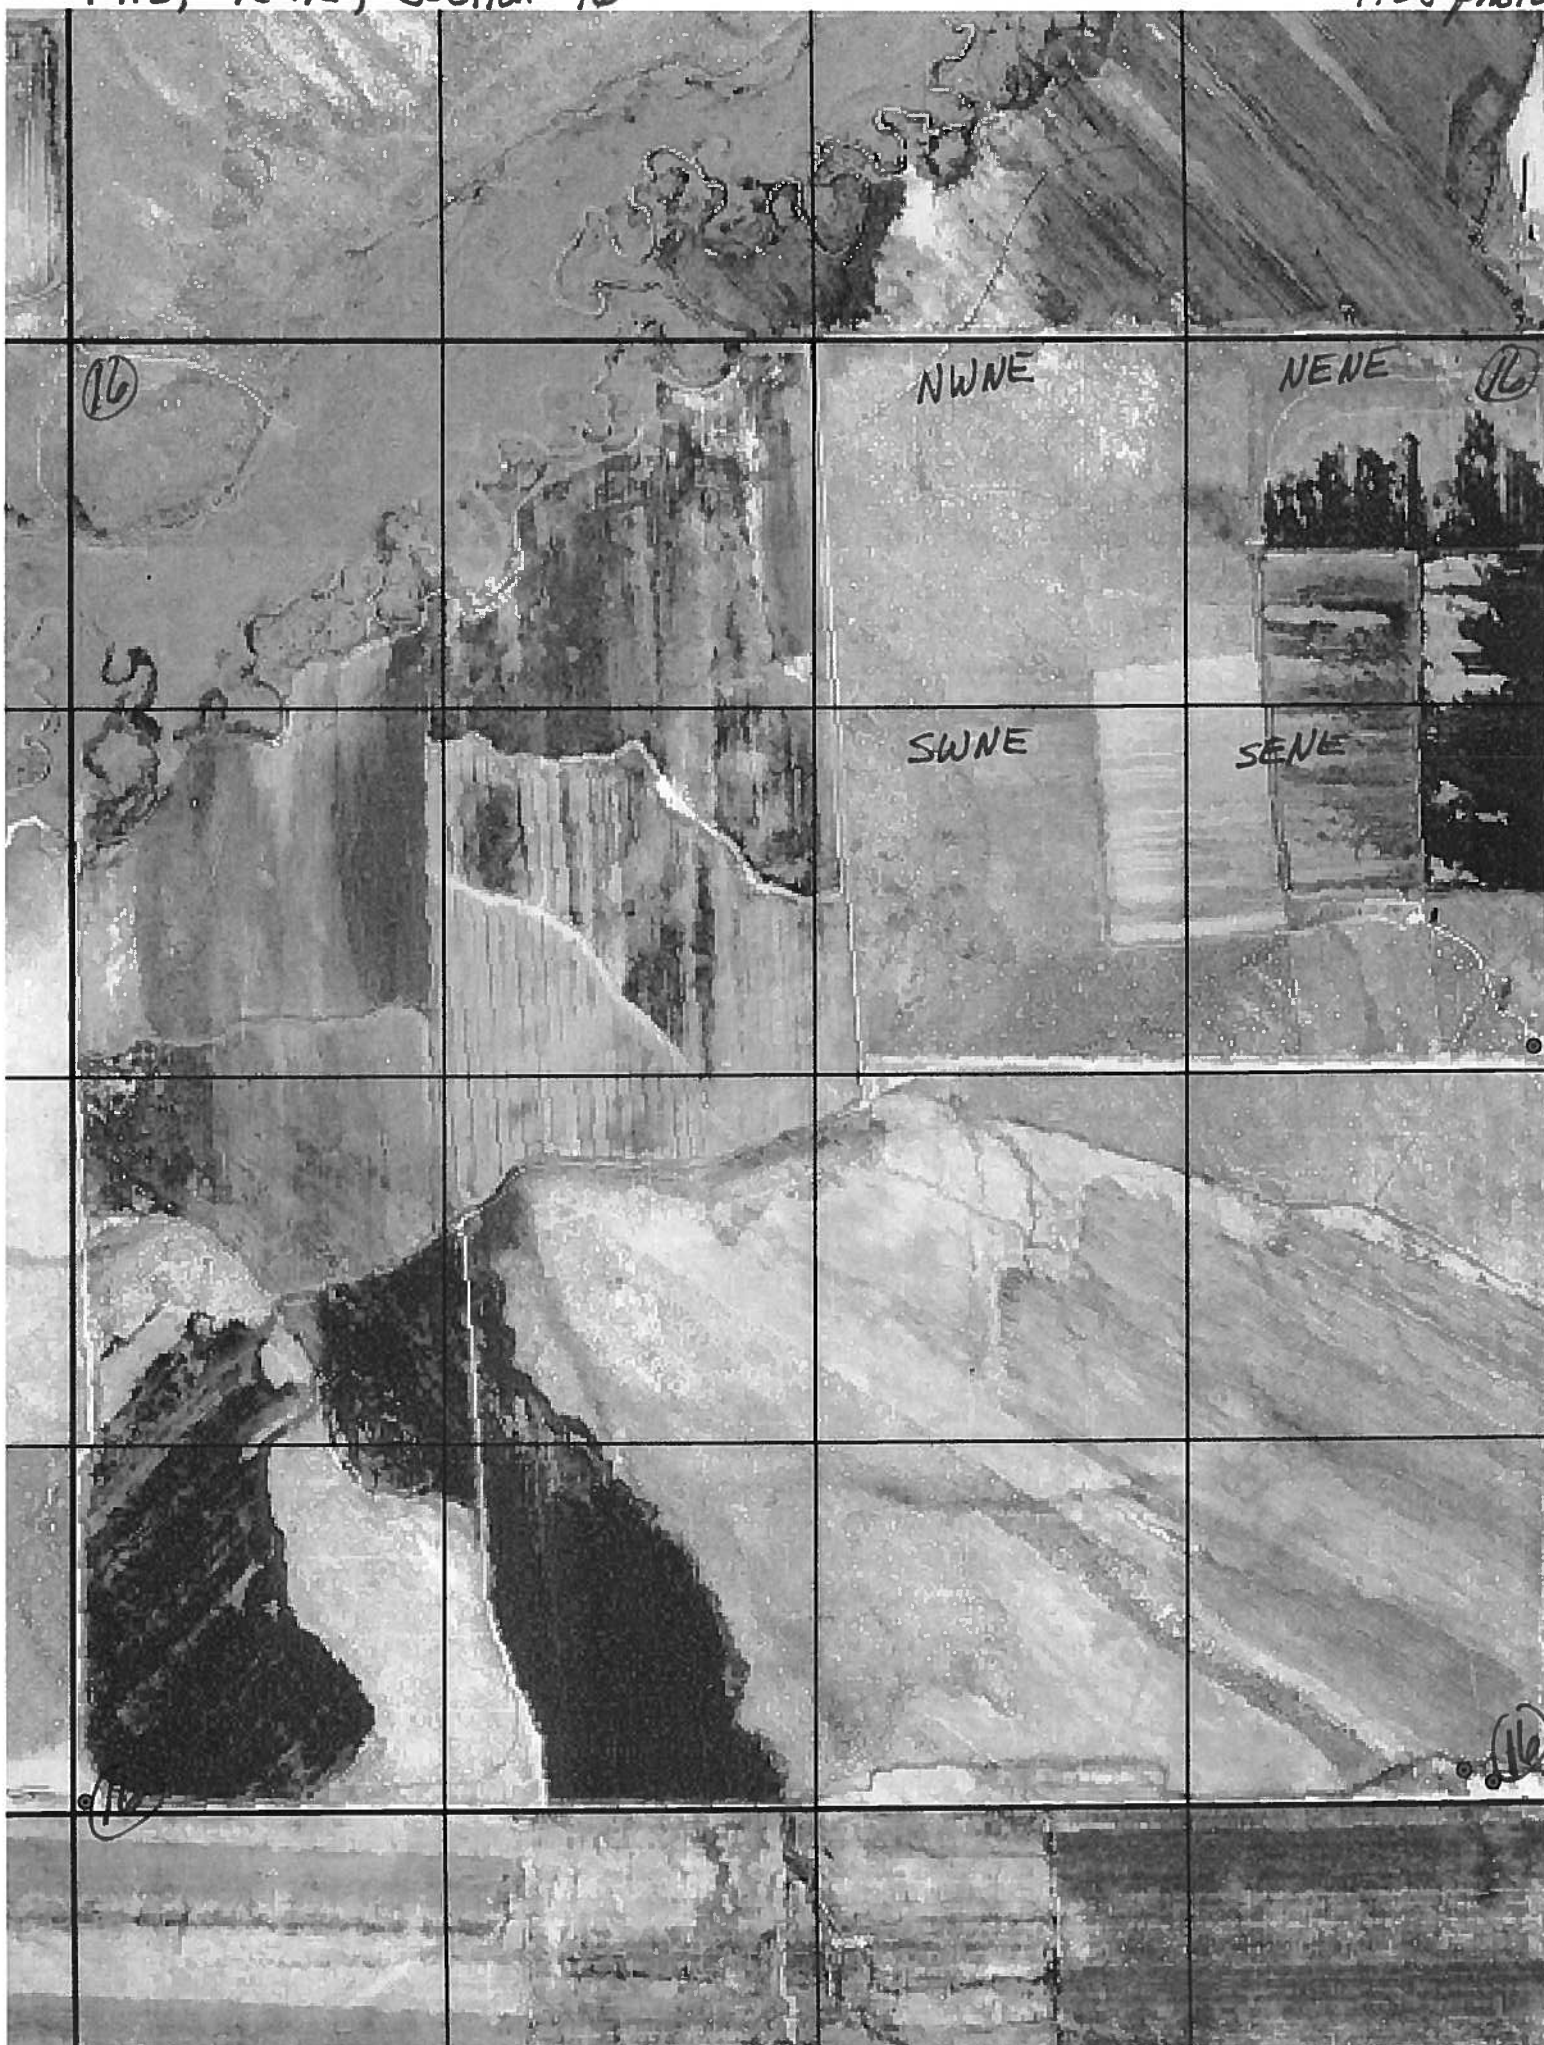

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jeanie'.
