Comments:

1. CFRITSCH 1/30/2001 Priority date

Comment: Claimant states an original well was drilled in 1927. License 43-02502 was filed for a replacement well. The claimant has not furnished any evidence for the earlier priority date, and there is nothing in IDWR files to indicate the "1960 well" is the replacement of an earlier well. If evidence of the claimed 1927 priority date is submitted, then the priority date issue will be revisited.
