Re: Evidence of Priority Date

Dear Claimant:

The Notice of Claim to a Water Right (claim) identified with the number shown below your name has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed. **Proof must be provided by the claimant supporting the priority date claimed and the historic use of the water.**

You are receiving this notice because we have no evidence supporting your priority date on file in our office. If you have previously submitted evidence of priority date, please contact our office to confirm receipt.

Enclosed you will find a computer printout of your claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit. A form is provided for your convenience.

PLEASE NOTE: If no evidence is submitted, IDWR will recommend the SRBA Court decree the claim be disallowed. It will be to your advantage to provide clear and convincing evidence. Because some documents commonly used for evidence of priority take some time to obtain, it is in your best interest to begin immediately collecting evidence that may be submitted to support your priority date.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. Send the documents in the enclosed envelope to assure it arrives at the correct location. If you have questions not covered by this letter or the enclosed pamphlet, please contact this office. If you wish to call, our toll free number is 1-800-451-4129.

If you no longer own the property to which the claim is appurtenant, please forward this correspondence to the present owner, or return it to Idaho Department of Water Resources (IDWR). If you have received this correspondence from the previous owner of the property, it is recommended that you file a Change of Ownership form with IDWR in order to receive future mailings and to participate in the Adjudication.

Sincerely,

Jennifer Dean

However, under Idaho law, such potential claims against the premises may have become legal obligations before the purchase of the home and yet may not be of public record until after the purchase. It is recommended that BUYER talk to a title company about what it offers in the way of extended coverage title policies and endorsements. This extended coverage owner's policy is for the benefit of the owner and provides similar coverage like provided by the extended coverage lender's policy.

Extended Coverage Owner's Policy requested ☐ Yes ☒ No. Additional premium paid by: ☐ BUYER ☐ SELLER.

144 shall, within n/a business day(s) of acceptance, complete these inspections and give to SELLER written notice of items disapproved of. BUYER is strongly
145 advised to exercise these rights and to make BUYER's own selection of professionals with appropriate qualifications to conduct inspections of the entire property.
146 BUYER's acceptance of the condition of the property is a contingency of this Agreement.

150 SATISFACTION/REMOVAL OF INSPECTION CONTINGENCIES:

158 3. If the SELLER elects not to correct the disapproved items, then the BUYER(S) have the option of either continuing the transaction without the SELLER being
159 responsible for correcting these deficiencies or giving the SELLER written notice within n/a business days that they will not continue with the transaction

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflect the change in ownership of the land and appurtenant water rights, covered under the original filing.

You will be notified prior to the beginning of any verification of this water right.
