Re: Snake River Basin Adjudication (SRBA) - Washington County
Identification Number Change

Dear Mr. Nakamura,

The identification number of your Notice of Claim to a Water Right has been changed from A67-02225 to A03-07049. The Idaho Department of Water Resources assigns "administrative basin numbers" that represent a particular geographic location within the state. The "basin number" is used as part of the identification number of the water right. During the process of investigating your claim, it was discovered that your right is in "Basin 03" rather than "Basin 67". This change does not affect your claim in any other way.

Enclosed is a computer-generated copy of your claim with the new identification number. Refer to this record number in any future inquiries or correspondence. Please do not hesitate to contact this office, if you have any questions.

Sincerely,

Roxanne McCarthy
Sr. Water Resource Agent
Adjudication Bureau
