STIPULATION

The Idaho Power Company and the State of Idaho ("State") hereby stipulate and agree, by and through their respective undersigned counsel, as follows:

1) Stipulation Regarding Water Right Permit Nos. 01-7054 and 37-7842: Recognizing that Water Right Permit Nos. 01-7054 and 37-7842 are subject to the Swan Falls Settlement –

- a) The Company agrees that its water rights are subordinated to water rights nos. 01-7054 and 37-7842 pursuant to the terms of the Swan Falls Agreement and will neither contest nor otherwise oppose the exercise of those water rights on the basis of priority, the Swan Falls Agreement, or I.C. §§ 42-234, 42-4201 and 42-4201A. The Company further agrees that those water rights may be exercised in a manner consistent with state law.
- b) The parties agree that all provisions of the Swan Falls Agreement and the implementing legislation shall continue to apply to Water Right Permit Nos. 01-7054 and 37-7842, including I.C. §§ 61-539 and 61-540 for the benefit of Idaho Power Company.
- c) The parties further agree that in the event that the Idaho Water Resource Board (IWRB) seeks to have said permits licensed or decreed, that the Company will not file a protest or objection in such proceedings, but that the State, in recognition of its obligations under the Swan Falls Agreement and state law, through the Idaho Department of Water Resources (IDWR), will appropriately investigate such permits to ensure that they meet applicable requirements and that the licensed or decreed water rights fully comply with state law.

2) Further Proceedings Relating to the Swan Falls Agreement. The parties agree that in the event that there are disagreements or disputes between the parties as to the interpretation or application of the Swan Falls Agreement that they will endeavor to resolve those disagreements through informal discussions and negotiation. In the event that the parties are unable to resolve

any such disagreements to their mutual satisfaction, either party, after notice to the other, may file a petition for declaratory relief with a court of appropriate jurisdiction to have the disagreement resolved and the Swan Falls Agreement interpreted and neither this Stipulation nor I.C. §§ 42-234, 42-4201, or 42-4201A shall act as a bar to the filing of such action.

- 3) Request for Recognition of the Stipulation. The parties agree to submit this Stipulation in all administrative and judicial proceedings involving the recognition of Water Right Permit Nos. 01-7054 and 37-7842 and to jointly present affidavits and such other evidence as may be required for the recognition of the Stipulation.
- 4) Defense of Stipulation. The parties agree to jointly support and defend the terms of the Stipulation against any and all objections or other challenges that may arise against the terms of the Stipulation in any administrative or judicial proceeding.
- 5) Stipulation Does Not Affect Statutory or Regulatory Authority. The parties agree that nothing in this Stipulation shall be construed or interpreted to affect the authority of the State as provided by constitution, statute or regulation. Nor shall this Stipulation be construed or interpreted to affect the rights of any person not a party to the Stipulation.
- 6) Stipulation Not to be Used Against Parties. Except as provided herein, neither party by entry into this Stipulation waives any legal position or arguments it may have regarding any legal disputes that may exist between the parties. Nothing in this Stipulation shall be construed as an admission against interest or tendered or used as evidence to support or oppose any party's claims or objections in any administrative or judicial proceeding, other than those seeking approval of the Stipulation, for interpretation, enforcement or administration of this Stipulation or for a purpose contemplated by Idaho Rule of Evidence 408.

- 7) Stipulation is Binding. The terms of this Stipulation shall bind and inure to the benefit of the respective successors of the parties.
- 8) Mutual Covenants of Authority. The parties represent and acknowledge that each of the undersigned is authorized to execute this Stipulation on behalf of the party they represent.
- 9) Non-Severability. The provisions of this Stipulation are not severable.
- 10) Triplicate Originals. This Stipulation is executed in triplicate. Each of the three Stipulations with an original signature of each party shall be an original.

The parties have executed this Stipulation on the date following their respective signatures.
