OBJECTION - 1

By filing an objection form, you are certifying that the objection is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and that it is not filed for any improper purpose, such as to harass, cause unnecessary delay or needless increase in the cost of litigation.

I. GENERAL INFORMATION

Please fill in the following information:

1. Person objecting:

Name: Sally Johnson

Address: Star Route

Mackay, Idaho 83257

Briefly describe your interest in this water right:

These rights have been used since 1915, the water has been applied to a beneficial use and the denial would create a great hardship and render almost valueless the irrigated farm ground to which they are appurtenant. Justice would require that this clerical error or omission be corrected in the interest of equity and fairness, in the interest of carrying out the constitutional goal of applying the waters of the State of Idaho to a beneficial use as to maximize the benefit to all of the citizens of the State of Idaho.

2. Owner of the water right:

Name: Decreed to W. C. Hunter (forfeited)

CHANGES TO THE DIRECTOR'S REPORT

Specifically describe how you want the Director's Report to be changed. You may use additional pages if necessary.

Please note: You should attach copies of documents which support your objection. Note on each document the "box number" it supports.

Title is held in the name of Preston Price Estate. The Personal Representative resigned in September of 1992. The current first mortgage is to the Farmers Home Administration who, through the United States Attorney, is attempting to foreclose on this mortgage. The United States Attorney represented to all other parties that the FHIA had filed the proper claims. When it was discovered that the bar date was approaching, claimant, Sally Johnson who is the assignee of an heir of Preston Price Estate and a judgment creditor petitioned the Court in the foreclosure action to appoint her the proper person to both object to the non-recommendation of these claims and to file a Motion for Permission to File a Claim for the other three (3) decreed water rights which the director did not comment on in his report.

☐ Check here if you are submitting documents. Please list each document by the title and number of pages. You may use additional pages if necessary. _____
