On October 18, 2010, a *Partial Decree* was entered for water right 22-13212. On April 13, 2012, a *Special Master's Report and Recommendation* was issued for water right claim 22-13853, recommending that the claim be decreed with the elements set forth in the attached *Special Master's Recommendation for Partial Decree*. On June 20, 2012, the parties entered an agreement entitled the "Paradise Springs Settlement" in settlement of related SRBA water right claims.¹ As part of the settlement, the parties agreed to certain modifications to water right 22-13212. These modifications will require the *Partial Decree* for water right 22-13212 to be set aside. The parties also agreed that the claimant of water right claim 22-13853 would submit an amended claim for that right. Following a review of the files and the Paradise Springs Settlement, this Court finds that the above-captioned subcases should be referred to Special Master Brigitte Bilyeu to conduct all proceedings necessary to effectuate the parties' settlement and issue a recommendation with respect to the above-captioned water right claims.

Therefore, IT IS HEREBY ORDERED that the above-captioned subcases are referred to Special Master Brigitte Bilyeu to conduct all proceedings necessary to effectuate the parties'

¹ The Paradise Springs Settlement references the following SRBA water right claims: 22-13212, 22-13509, 22-11639 and 22-13853.

settlement with respect to the above-captioned water claims, and to issue a recommendation, consistent with *Administrative Order 1*, for the above-captioned water right claims.

Dated June 27, 2012.
