	)	X LATE NOTICE OF CLAIM
	)	☐ AMENDED NOTICE OF CLAIM
_____	)	

X I have read *SRBA Administrative Order 1, Rules of Procedure* (amended Sept. 30, 1996).

My name is: City of Driggs

My address is: P.O. Box 48, Driggs, ID 83422

My phone number is: (208) 354-2362

I am an attorney representing the City of Driggs

My name is Jerry R. Rigby

My address is: 25 North 2nd East, P.O. Box 250, Rexburg, Idaho 83440

My phone number is: (208) 356-3633

MOTION TO FILE A LATE NOTICE OF CLAIM

A Motion to File a Late Notice of Claim will require a hearing before the Presiding Judge.

X I did not file a Notice of Claim to the use of the water in the SRBA because:

These rights have always been diverted in Wyoming and are subject to the Wyoming Roxanna Decree. Therefore, Claimant (the City of Driggs) was originally under the understanding that it was not required to file on these as the Idaho Department of Water Resources originally would not accept any Wyoming diverted water rights. However, the Department has since changed its position and now has determined that notwithstanding Wyoming decrees and permits properly issued for these rights, any right permitted or claimed prior to the commencement of the Snake River Adjudication should be included in the SRBA.

The below described law firm was retained by the City of Driggs some time in May of 2011 and immediately prepared a motion to file a late notice of claim at that time. The claims themselves were previously prepared by Rocky Mountain Environmental (a local engineering firm) and actually signed by the City of Driggs in September of 2009. In fact, counsel went so far as obtaining water right numbers for the subcases from IDWR during May of 2011 in full anticipation of an immediate filing of the said motion. It was fully understood by the claimant, City of Driggs and its counsel, Jerry R. Rigby, that the motions were then filed with the above entitled Court. However, for an unknown reason, they were not filed.

Fully believing that the motions had been filed, the City of Driggs and its counsel entered into protracted negotiations and discussions with the other parties to the Roxanna Decree, the Wyoming State Engineer and the water engineers hired by the City of Driggs, which negotiations have continued to the present time - as set forth in detail in the attached affidavit of counsel, Jerry R. Rigby. Only upon resolving and finalizing the balance of what has been referred to as the numerous RecRec claims for basins 21 and 22 was it discovered by Counsel that the motion for file of late claim had mistakenly not been actually filed with the court.

The water right claimed pursuant to this Motion is extremely valuable as it is a vital and irreplaceable source of water for the City of Driggs and its citizens. This water right, together with the other claims being filed herewith, provides irrigation and most importantly potable water for its citizens' significant needs. Claimant is fully aware that basin 22 has recently become a closed basin. However, due to the excusable and clearly unintentional mistake by counsel for the City of Driggs, Claimant should not be penalized and should be granted the right to finalize the filing of its late claims and pursue them as it would have prior to the closing of Basin 22 just a few months ago.

No party will be injured by this Motion as these rights have been fully diverted in Wyoming, treated in Wyoming, put into a pipe in Wyoming and beneficially used in the City of Driggs on a continuous basis since their respective priority dates.

- ☐ I filed a Notice of Claim and elected to defer judicial proceedings on my domestic or stock watering use. I desire to reinstate my Notice of claim for domestic or stock watering use.
- ☒ I am providing legal and factual documentation for my claimed use of water. You must described these documents and attach a readable copy. (You do not need to fill this out if you are reinstating a Notice of Claim for domestic or stock watering use, but you **must** attach a copy of your Notice of Claim.)

I have attached:

- ☒ A fully completed Notice of Claim (available from IDWR).
- ☐ A claim filing fee for a domestic and stock watering use. IDWR may charge this fee pursuant to I.C. § 42-1414. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$_____.
- ☒ A claim filing fee and a late claim fee for those claims other than a domestic or stock watering use for which a notice of claim was not filed. To determine this amount, contact IDWR at (800) 451-4129. I have enclosed a check payable to: State of Idaho Department of Water Resources in the amount of \$200.00. The place of use for this water right was already claimed under previous rights which have been paid.
