REASONS SUPPORTING EACH BOX CHECKED

In response to Statement of the Objection items 12 and 12.a, and all allegations of the objection regarding these items, IDWR responds as follows.

The director's report recommends certain rights to the objector, as shown in the director's report.

IDWR conducts a limited investigation of small domestic and stockwater claims (as defined by Idaho Code section 42-111). IDWR generally does not field examine small D&S claims; IDWR's recommendations of small stockwater claims to the U.S. Bureau of Land Management established by beneficial use in Basin 34 were based on maps and other documentation provided by BLM.

The burden rests with the United States to prove the right, and on the objectors to prove their objections, in accordance with the parties' respective burdens of proof.

CHANGES TO THE DIRECTOR'S REPORT

The director proposes no changes to the description of this claim in the Director's Report.
