REASONS SUPPORTING EACH BOX CHECKED

In the space following, you must state the reason(s) by number for each box checked. You may use additional pages if necessary.

The United States (BLM) has filed duplicate claims asserting water
rights under both State and Federal law. I/We do not believe these
"duel" rights exist and all elements checked on Page 3 were improperly
claimed.

CHANGES TO THE DIRECTOR'S REPORT

Specifically describe how you want the Director's Report to be changed. You may use additional pages if necessary.

The U.S. Dept. of Interior (BLM) has not established Federal Reserved
water rights, and the right claimed should be disallowed.

Please note: You should attach copies of documents which support your objection. Note on each document the "box number" it supports.

☒ Check here if you are submitting documents. Please list each document by the title and number of pages. You may use additional pages if necessary. _____
