Case No. 39576	)	ORDER REGARDING
	)	RECOMMENDATION
	)	FOR AMENDED PARTIAL
	)	DECREE
	)	
	)	WATER RIGHT NO.: 22-13212
_____	)	

I. PROCEDURAL BACKGROUND

A *Special Master's Report and Recommendation for Amended Partial Decree* was issued on July 10, 2012. The *Special Master's Report* explained that the parties to this subcase reported on June 21, 2012 that they had reached a signed settlement agreement resolving the ongoing issues with subcases on Paradise Springs. The *Paradise Springs Settlement* included a written agreement to revise the *Partial Decree* for this right. Accordingly, the *Special Master's Report* was issued on July 10, 2012 which recommended the *Partial Decree* be amended and decreed with the elements contained in the *Paradise Springs Settlement* agreement. After the *Special Master's Report* issued, a *Motion to Set Aside Partial Decree* was filed. On July 13, 2012, Michael Reid filed a *Motion to Set Aside Partial Decree*. However, the *Motion* appears to have been signed on July 9, 2012. It is therefore likely that Mr. Reid's *Motion* is seeking relief the court already recommended in the July 10, 2012 *Special Master's Report*. The *Motion* seeks a flow rate, acreage and subordination language consistent with the *Special Master's Report*. Thus, the *Motion to Set Aside Partial Decree* seeks changes to the elements of this water right which were already previously recommended.

II. FINDINGS AND FACT

No further action is required of the court related to the July 13, 2012 *Motion to Set Aside Partial Decree* since the court recommended the very relief requested in the July 10, 2012 *Special*

Master's Report. The Special Master recommends no changes to the *Special Master's Report* issued on July 10, 2012.

III. CONCLUSION AND RECOMMENDATION

THEREFORE, based on the file and record herein, there are no changes to the recommendation for the *Special Master's Report and Recommendation for Amended Partial Decree* issued July 10, 2012.

DATED: July 25, 2012.
