Leave to amend a claim shall be freely given when justice so requires.

- ✓ I must amend my Notice of Claim to the use of water in the SRBA because:

Dear Claimant:

As you may recall a settlement conference was recently held in Idaho Falls in hopes that the disputes regarding the water right claims from Paradise Springs could be resolved. At the settlement conference the parties in attendance and the Idaho Department of Water Resources reached a tentative agreement. However, final settlement is contingent upon additional action by the parties. The purpose of this letter is to let you know what further action needs to be taken in order to bring closure to the Paradise Springs subcases in the Snake River Basin Adjudication ("SRBA").

The table below lists the amounts agreed upon during the settlement conference followed by the tasks that need to be completed before the settlement can be finalized. Please find your subcase(s) below and take the appropriate action. IDWR would be happy to help you through the process if you need assistance, as appropriate. Because of the global nature of the settlement of Paradise Springs, SF5 settlement documents will be prepared once the late claims and amended claims are ready for resolution. In other words, all the subcases are tied together and are anticipated to progress through the SRBA resolution process as a group.

JAN 25 2011

22-13211. No need to amend claim. Only needs to sign SF5. It is my understanding that the objectors to this subcase seek a subordination remark limiting a delivery call on this right to 7.6 acres and .17 cfs. Additionally, needs to set aside 22-11537, the 1969 beneficial use right, and sign an SF5 for .07 cfs and 3.3 acres.

22-13212. Needs to move to set aside and amend claim for 0.52 cfs. Eventual recommendation for -13212 will contain a subordination remark limiting a delivery call on this right to 4.5 acres and 0.16 cfs. Will receive SF5 on 22-11639 for 9.6 acres and 0.19 cfs as the beneficial use claim.

22-13511. No need to amend claim. Only needs to sign SF5.

22-13586. Needs to amend claimed flow rate to 0.47 cfs. This right is governed, in part, by the stipulation filed December 2009. Consistent with that stipulation, the eventual recommendation for -13586 will contain the following subordination remark: This water right shall not be permitted to make a delivery call against water right nos. 22-13135, 22-13961, 22-13962, 22-13963, 22-13964, 22-2280E, 22-2296B, 22-2296D, and 22-13681, and their progeny. Needs to file a new beneficial use claim for 8.5 acres and 0.17 cfs.

22-13853. Needs to amend claimed flow rate to 0.33 cfs and file a new beneficial use claim for 6.5 acres and 0.13 cfs.

22-13854. This right is governed, in part, by the stipulation filed December 2009. Needs to file a new beneficial use claim for 14 acres and 0.38 cfs.

22-13509. Consistent with the Amended Director's Report filed in July 2010, the eventual recommendation for -13509 will contain the following subordination remark: This water right shall not be permitted to make a delivery call against water right nos. 22-13135, 22-13961, 22-13962, 22-13963, 22-13964, 22-2280E, 22-2296B, 22-2296D, and 22-13681, and their progeny. Needs to file a new beneficial use claim for 9.5 acres and 0.19 cfs.

The next status conference on these subcases is set for February 2, 2011, at 9:30 a.m., during which Special Master Bilyeu agreed to hear motions to amend claims. Motions for late claims need to be heard by Judge Wildman. If you have questions about any of this, please contact your attorney, if applicable, or feel free to give me a call. Thanks in advance for your prompt action.

Re: Water right 22-13853

Dear Mr. Miller:

I am a deputy attorney general representing the Idaho Department of Water Resources ("IDWR"). This letter is a follow-up to the letter Michael Holliday from IDWR sent to you last month about your subcase.

As you know, the Paradise Springs subcases in the Snake River Basin Adjudication ("SRBA") are on the road to settlement. Your water right 22-13853 is one of the subcases involved in said settlement. The SRBA Court held a hearing yesterday to discuss the status of the subcases involved in the settlement. The Court set a final deadline of February 11, 2011, in which to file an amended claim, if you intend to do so. As referenced in Mr. Holliday's letter, as part of the settlement, you can receive an increase in quantity for your water right (from .25 cfs to .33 cfs). However, IDWR can only recommend the increased amount to the SRBA Court if you file an amended claim. Amending a claim is not difficult, and you can contact Mr. Holliday for assistance. If you are content with your quantity recommendation the way it stands, .25 cfs, then you need not amend. If you choose not to amend, IDWR will, at some point after February 11, send a settlement document entitled Standard Form 5 ("SF5") for your signature. The SF5 will reflect the settlement, reducing your recommended place of use under this right to 16.5 acres (another 6.5 acres can be added via a late claim - see below). We will send more detailed instructions with the SF5.

Additionally, as part of the settlement and referenced also in Mr. Holliday's letter, you may be entitled to another water right, one based on beneficial use from Paradise Springs for .13 cfs on 6.5 acres. This additional right would necessarily have a later priority date than does 22-13853 (the other beneficial use rights that are part of this settlement grouping have priority dates in the 1960s), and you would be responsible for submitting evidence in support of the priority date. The Court set a final deadline of March 25, 2011, for filing any late claims connected to this settlement. If you do not file

a late claim associated with the potential beneficial use of Paradise Springs water, you may be forfeiting said water right.

If you have questions about these matters, please contact me at (208) 287-4810 or Mr. Holliday at (208) 525-7161.

Sincerely,

A handwritten signature in black ink that reads "Andrea L. Courtney". The signature is written in a cursive style with a large, sweeping initial 'A'.

Andrea L. Courtney
