Re: 92-10873

We are returning your Notice of Claim. Please list the date of priority in item #2 and return the claim to this office. The date of priority is the date the water was first used regardless of who owned the property. For a beneficial use right of surface water it needs to be used before May 21, 1971.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Kenneth Knoblock', written in a cursive style.
