Re: 91-7101

We have received your Notice of Claim which is based on a water right license (91-7101). The claim does not list the number of acres that you irrigate. Enclosed is a claim based on the information contained in the license. Please review and sign the claim. The filing fee for 4 acres of irrigation is \$50 + \$1 per acre for a total of \$54. You paid \$25 for the claim on the well and \$25 on this claim, so the amount due is \$29. Please send us the signed claim and the required fee.

Thank you,
