Amended Claims Needed

Dear Mr. Santee,

I have been asked to review the objections to the above listed water rights. After reviewing the objections, it appears that the claims need to be amended. Your objections request that the recommendations should include elements that have not been claimed. IDWR can not recommend something that has not been claimed.

For your convenience I am enclosing 5 amended claims. I have highlighted in yellow items I have added to the claim and ~~crossed-out~~ things that are proposed to be removed. Please look over the claims and initial any changes you wish to make. When satisfied, sign the claims and you can either mail them back to me or bring them with you to the initial hearing.

Please feel free to contact me with any questions.

Sincerely,
