RE: Coeur D'Alene-Spokane River Basin Adjudication Claim No. 94-9109

Claimant(s):

Enclosed for your review and signature, is an amended claim for 94-9109 that you had previously filed online. We have amended the claim to reflect the source as groundwater for domestic use instead of recreation as you had claimed. You have indicated this is for your RV supply hookup, which we would consider this a domestic use. A domestic use is exempt from the mandatory permit statute, which would have required you to file an Application for Permit for the recreation use.

Please sign and return the claim in order for us to complete the review and processing of your claim.

If you have any questions, feel free to contact me at 208-287-4909.

Sincerely,

Lori Harris
