OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA

Case No. 39576

SRBA Claim Nos. 45-13973 and 45-13974

**SECOND AFFIDAVIT OF TRENT
ANDERSON**

STATE OF IDAHO

County of Cassia

) ss.

TRENT ANDERSON, being first duly sworn upon oath, deposes and states as follows:

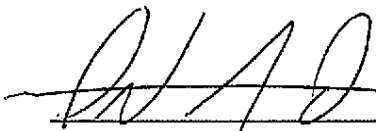

1. My name is Trent Anderson. I am of sound mind and majority age, and the facts below are based on my personal knowledge.

2. I am familiar with the land that is commonly known as the Double C or Lambert Produce Farm that is south of Burley, Idaho, including the land depicted on the attached aerial photograph, and in particular the area circled that is in sections 8 and 9.

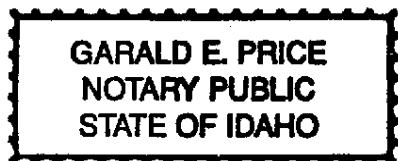

3. The circled area appears to be ground that is broken out but not yet irrigated in 1968. The land is surrounded on all sides by land that is irrigated. When I began managing the farm in the early 1970s, I was directly responsible for this area, and in that capacity became familiar with the history of how it was developed. During that time, we (and predecessor managers) were actively developing new ground. We typically would break out new ground in one year and would begin irrigating it the next. The circled land was being irrigated by the time I began managing the farm in 1972. From discussions I had and knowledge I gained as manager, I believe the area was first irrigated in 1969. It was certainly irrigated by 1970 or 1971. By 1972

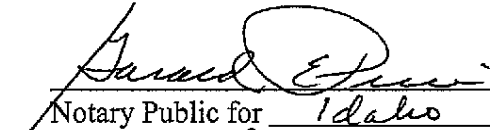

all the fields depicted in the attached aerial, including the circled area, had been furrow irrigated
for at least a couple of years.

DATED this 22 day of August 2012.
