To: Cordell Sheridan

Cordell,

Here are copies of the AJ claim and the original license for winter recharge from Stines and Almo Creeks. I'm also including an agreement that was entered into to resolve a protest to this license. The application for permit by Matthews was initially for summer irrigation from Stines and Almo, but that was changed in response to the protest. I would think that Almo Water Company is aware of these conditions, but if not, you would be the representative to inform, anyway. Let me know if you want to take any action on this.
