Re: 94-7371

Dear Mr. Adamson:

In response to your letter of August 22, 2012, addressed to Carolyn Monitz we have made a recommendation on your water right. You stated that your right was based on a water right license issued to Brian Benson. Enclosed is a copy of our preliminary recommendation.

In your letter you state that "... a man from your office, offered him a chance to buy my water rights for me, without my knowledge". There must be a misunderstanding. We do not sell a person's water to another individual.

Sincerely,

A handwritten signature in dark ink, appearing to read "Ken Knoblock". The signature is fluid and cursive, with the first name "Ken" and last name "Knoblock" clearly distinguishable.
