AUG 29 2012	
By _____	Clerk
_____	Deputy Clerk

**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	Subcase No. 01-214A
	)	
Case No. 39576	)	STANDARD FORM 5
	)	
	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described as per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.

The boundary encompassing the place of use for this water right is described with a digital boundary as defined by I.C. Section 42-202B(2) and authorized pursuant to I.C. Section 42-1411(2)(h). The data comprising the digital boundary are incorporated herein by reference and are stored on a CD-ROM disk issued in duplicate originals on file with the SRBA District Court and the Idaho Department of Water Resources. A map depicting the place of use is attached hereto to illustrate the place of use described by the digital boundary.

Use of the rights listed below is limited to the irrigation of a combined total of 75,093 acres in a single irrigation season. Combined Right Nos.: 1-8, 1-211A, and 1-214A.

Place of use is within the boundary of Minidoka Irrigation District pursuant to Section 43-323, Idaho Code.

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

The operation, use and administration of this water right is subject to the terms and conditions of the Settlement Agreement signed on February 14, 2006 with Minidoka Irrigation District, Burley Irrigation District, Twin Falls Canal Company, North Side Canal Company and American Falls Reservoir District #2.

The name of the United States of America acting through the Bureau of Reclamation appears in the Name and Address sections of this partial decree. However, as a matter of Idaho Constitutional and Statutory Law, title to the use of the water is held by the consumers or users of the water. The irrigation organizations act on behalf of the consumers or users to administer the use of the water for the landowners in the quantities and/or percentages specified in the contracts between the Bureau of Reclamation and the irrigation organizations for the benefit of the landowners entitled to receive distribution of this water from the respective irrigation organizations. The interest of the consumers or users of the water is appurtenant to the lands within the boundaries of or served by such irrigation organizations, and that interest is derived from law and is not based exclusively on the contracts between the Bureau of Reclamation and the irrigation organizations.

IDAHO DEPARTMENT OF WATER RESOURCES RECOMMENDED
WATER RIGHTS ACQUIRED UNDER STATE LAW

~~Although the name of the United States of America acting through the Bureau of Reclamation appears in the Name and Address section of this partial decree, the ownership of this water right is divided. The United States Bureau of Reclamation holds nominal legal title. Beneficial or equitable title to this water right is held in trust by the irrigation organizations, in the quantities and/or percentages specified in the contracts between the Bureau of Reclamation and the irrigation organizations, for the benefit of the landowners entitled to receive distribution of this water from the respective irrigation organizations pursuant to Idaho law. As a matter of law, this interest is appurtenant to the lands within the boundaries of or served by such irrigation organization. The ownership of this water right is derived from law and is not based exclusively on the contracts between the Bureau of Reclamation and the irrigation organizations.~~

~~The Director of the Idaho Department of Water Resources shall determine what part of the water flowing in the Snake River at the Minidoka and Milner Dams is storage waters and what part is natural flow. The amount of natural flow shall be determined as such natural flow would be, if unaffected by the diversions or acts of the parties to Twin Falls Canal Co v Foster, Decree (4th Jud. Dist., Twin Falls Co., June 20, 1913). The natural flow to which the Twin Falls Canal Company and the Northside Canal Company are entitled shall be measured at the Milner Dam.~~
