Re: 94-8041

Dear Mr. and Mrs. Hanan:

We are returning your Notice of Claim. The date of priority is listed as "mid 1970's". When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used, regardless of who owned the property. If the priority date of your claim is incorrect, please change the date and return the claim. If the water was first used after May 20, 1971, then you need to file an application to secure water rights.

Sincerely,

Carolyn Monitz
Technical Records Clerk
Department of Water Resources
Northern Region

I have changed the date to when my family purchased the property. Prior to 1960 this property was owned by Mr. Vincent J. Turcotte and Ruth J. Turcotte. They also used the water to the same capacity that it is used today.
