Dear Claimants:

We have processed a Change of Ownership to Louis Jeffrey, for a portion of your original claim to a water right as referenced above. This change of ownership resulted in a split of your claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by adding alpha-suffixes to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office.

If you have any questions in regard to this matter, please do not hesitate to contact our office.

Sincerely,

KAY WALKER
