Dear Mr. Noblock

Thank you very much for your assistance today on my Notice of Claim #95 – 14974

I have adjusted date of priority to reflect August 1, 1969 – as this is the approximate date cabin was first built based on reference of my immediate neighbor Tom Retzel, who has resided in Powerhorn Bay before that time.

If you require any additional information, please let me know.

Sincerely

James B. Simanton
