Dear Snake River water users,

Up to now your Claim to Water Right in the Snake River Adjudication was identified by a number that designated the source from which your water right originally was taken. This number on your pink copy of the Claim has been 36-0055. To properly catalogue in this agency's records that your water right is now taken from the Snake River your water right will now be 02-0210. When the Proposed Finding is issued you will find your water right shown in the listing and in the indices under this new number.

I hope this change will not be a source of confusion in the future. If you have any questions about this matter or the adjudication please feel free to contact this office.

RE: Claim No. 36-0055

Dear Mr. Bowles:

Following our telephone conversation on April 13th, I initiated the action to get a refund of the \$10 fee you paid on an adjudication claim. That refund is enclosed.

On May 8th, I received a copy of the transfer of water right filed by you in our Twin Falls office. The approval of that transfer application is very likely. With its approval, a Snake River adjudication claim is then appropriate.

That sequence of events just about brings us around full circle. I have enclosed the claim you originally submitted because a refund check has been enclosed. I think the matter can be more quickly resolved if we start again. Would you kindly sign and have notarized the new claim and return it to this office along with a \$10 filing fee?

A time delay seems to have caused this mixup and confusion. I apologize any inconvenience this matter has caused you and thank you for your patience and cooperation.

SUBJECT Adjudication Claim Refund

Russell D. Bowles, Rt. 1, Gridley Island, Hagerman, ID 83331, filed a claim in the Snake River Adjudication on a source not within the scope of that court action. Bowles paid the \$10 filing fee which was receipted apparently by Southern Region (#16949).

On April 13, 1981, I explained by telephone to Bowles that it was not necessary for him to file a claim for his water right. He agreed to withdraw his claim if the fee is refunded.

Would you please take the necessary action to see a warrant is issued to Bowles for his refund? When you receive the warrant in your office, please send it to me so I can return it along with the claim in one, neat package.
