The above-captioned water right claim is based on a permit prior to the issuance of the license. The recommendation in the *Director's Report* included the following condition:

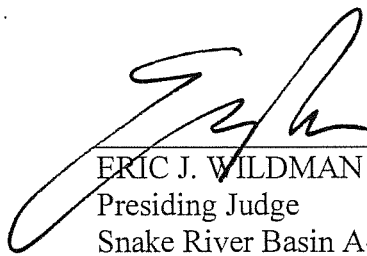

This right is conditioned upon completion of the appropriation in accordance with the statutory procedure for appropriation of water rights. This right remains subject to all conditions set forth in the permit upon which the right is based, and will be subject to all conditions set forth in the license issued by IDWR upon completion of the statutory appropriation process.

In order to avoid any potential inconsistencies between the *Partial Decree* and a subsequently issued license, the practice of the Court has been to temporarily withhold the issuance of the *Partial Decree* until after the license is issued and hold a hearing to inquire as to the status of the licensure proceedings.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **November 20, 2012, at 1:30 p.m. (Mountain Time)** at the Snake River Basin Adjudication District Court, 253 3rd Avenue North, Twin Falls, Idaho, for purposes of determining an estimated time on the issuance of the license. Telephone participation will be available by dialing 1-215-446-0193 and entering 406128# when prompted. **However, no cell phones or speaker phones will be**

permitted as they interfere with our sound system making the proceeding difficult to accurately record. In the event the license is issued prior to the time of the hearing, the hearing will be vacated and a *Partial Decree* issued.

Dated Sept 13, 2012.

ERIC J. WILDMAN
Presiding Judge
Snake River Basin Adjudication
