Dear Mr. Maxey:

I'm enclosing two Notices of Claim to Water Rights.

The first claim is for the well which I had installed in 1998. The second is for a diversion from Coeur d'Alene Lake which was commenced when our original cabin was constructed in 1947.

I appreciate having received from you the ariel photos which were a great help in locating the points of diversion.

Please let me know if there is any additional information that you might need to perfect these claims.

Very truly yours,

Wm. Fremming Nielsen
