Re: Water Right No. 63-2866B

To Whom It May Concern:

Enclosed please find a Notice of Error and Notice of Change of Ownership concerning the above-referenced water right claim and recommendation.

The Notice of Error corrects a clerical error in the water right claim to indicate that the claimants actually should be shown as Robert A. and Dixie V. Blome. Robert and Dixie have been, and remain husband and wife, and there have been no changes in their legal names or relationship. The claim simply inadvertently listed them separately. The Notice of Error is intended to correct that so that a partial decree can be issued properly showing ownership as indicated in the Notice of Error. A copy of a gift deed from Dixie V. Blome, formerly Dixie V. Weeks to Robert A. Blome and Dixie V. Blome, husband and wife is enclosed.

Subsequent to filing of the claim, Mr. and Mrs. Blome conveyed 74.24 acres of the 80-acre place of use to Silver Sage, LLC, and in June of this year, conveyed via two quitclaim deeds the same 74.24 acres to Weeks Investments, LP, an Idaho limited partnership. These transactions were for estate planning purposes. Mr. and Mrs. Blome have retained 5.76 acres of the 80-acre place of use in their name. Copies of the deeds effecting these conveyances are enclosed.

Based on the above transactions subsequent to the filing of the Notice of Claim, the enclosed Notice of Change of Ownership is being filed to request that water right ~~62-6628B~~ be decreed to confirm current ownership of 0.12 cfs of ground water for irrigation of 5.76 acres in the name of Robert A. and Dixie V. Blome, and current ownership of 1.48 cfs for irrigation of 74.24 acres in the name Weeks Investments, LP.
