Identify water right(s) for which extension is requested

State why an extension of time is requested explaining how a diligent effort has been made to meet the deadline:

A notice of claim to a water right right was notarized on 11/18/82. This was #02-2092B
of the original Snake River Adjudication. When the adjudication was absorbed by the
S Snake Basin process, we temporarily gave up, having filed on several other license
applications. This sounded like a permanent affair, so we filed.

Claimant requests an extension to February 28, 19 90
