RE: Snake River Basin Adjudication
Case No. 39576 and Subcase Nos. 36-13320 & 57-02203A

Dear Mr. Shaff:

In response to your letter of March 24, 1994, please modify your records to reflect that Terry T. Uhling and Gray Young are co-counsel of record in the above referenced matter. Mr. Uhling and Mr. Young are in-house counsel for J. R. Simplot Company, and, therefore, would be apprised of all matters relating to the claims of Simplot and its related company subsidiaries and affiliates as a matter of course. The attached Exhibit A does represent all water rights we are aware of at this time to which the Notice applies.

For your information, I have also enclosed a copy of a letter and attached Notice of Withdrawal from Diana Delaney, Chief Deputy Clerk of the Snake River Basin Adjudication Clerk's Office, which indicates that Bruce Belzer never was recorded as being counsel for J. R. Simplot Company.

If you have any questions, feel free to call me at 389-7201.

Sincerely,

RE: Appearance of J. R. Simplot in Subcase Nos. 36-13320 and 57-02203A

Dear Mr. Young and Mr. Uhling:

Enclosed I am returning your *Notice of Withdrawal of Counsel* which was received by the court on April 5, 1994, and which stated that Bruce L. Belzer was withdrawing as counsel for J. R. Simplot Company in the above-referenced subcases.

After a search of the files for the above subcase, I am unable to locate any appearance by Bruce L. Belzer. However, on January 28, 1994, a *Notice and Entry of Appearance* was filed on behalf of J. R. Simplot in these subcases. That notice listed Gray Young and Terry Uhling as counsel for J. R. Simplot.

Sincerely,

Diana R. Delaney

RE: Points of Diversion

The records of the Snake River Irrigation District were checked to determine whether all these rights were assessed as being inside the irrigation district. The land under 02-0060 has apparently been a part of the district from the beginning. The same may apply to 02-0076 that appeared in the 1919 list of apportionment and benefits as well as the 1953 list. The licenses on the western end of what is apparently the district and sections 25 and 36 are recent additions to the district.

On May 15, 1973, the Simplot Company presented a petition to the district board of directors for inclusion into the district. The notice of hearing for the annexation was published in the Mountain Home News for four consecutive weeks from May 17 to June 7, 1973. No action, either negatively or positively, appears in the records of the district, but in 1974 the Simplot Company was assessed and it paid the operation and maintenance assessment. The company also appears in the 1973 list of assessments without any payment, thus indicating they probably received water through the district system.

As a result, the water rights for these lands will be recommended with the point of diversion of the pumps on the river and of the district canal at C. J. Strike Dam. The lands will be included in the Snake River Irrigation District but no additional water will be recommended for these lands, either in the name of the district or the Simplot Company.
