

Statement Documenting Water Withdrawal at 1466 W. Hemlock Drive, Worley Idaho 83876.

My Name is Jeff Reed and my family has owned a summer cabin on Lake Coeur d'Alene Idaho since 1944. My address is 1498 W. Hemlock Drive Worley Idaho 83876.

Prior to 1970 the attached referenced cabin Parcel # lot 21 Cedar Grove Tract Worley Idaho was already in existence a few cabins away from me at 1498 W. Hemlock Drive Worley Idaho. All owners prior and current used water from Lake Coeur d'Alene for domestic uses (drinking, cooking, bathing, irrigation and fire protection) from the time the cabin was built, which was prior to 1970, to the present date. Gregory and Bethany Holben the current owners continue to withdraw water from the lake for domestic use and fire protection.

Please contact me if you have any questions concerning the Holben's water claim. My telephone number is 509-999-5948.

Sincerely,

Jeff Reed
