FOR CLAIMS A43-4028A

A43-4029

A43-4031

A43-4032

A43-10490

Proof of priority for these claims is on record on microfiche. It appears that no additional proof is required.

Mr McSee was in this office this day to review his claims.

A43-10490 was amended to reflect the ^{final} date property (corns) were irrigated ~~and~~ ^{and} portions increased substantially when a waste water pond was converted to irrigation. 80 acres in 2 Q/Qs were just ^{apparently} missed in previous filings. The 1976 ortho photo supports full 40 acre in per Q/Q. The claimed 1974 priority date seems reasonable. Affidavit to substantiate that date is to be submitted.

RE: Evidence of Priority

RESPONSE DEADLINE
FEBRUARY 3, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, proof must be provided supporting the priority date you have claimed.**

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by **February 3, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.
Water Rights Supervisor
