Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 91-7410.

Dear Mr. Banderob:

I have completed pond calculations totaling 1.6 Acre Feet (AF) for Claim 91-7410 using the information provided in your October 1 letter. A topographic map and copy of your letter is enclosed.

I overlooked an Amendment to your Claim in my September 26, 2012 letter. The name of the stream (Deep Creek tributary to Hells Gulch Creek) must be shown on your claim based on the pond's location. You should probably also claim In-Stream Stockwater use (.02 CFS) if livestock have direct access to Deep Creek as it crosses your property.

Please telephone me before mailing your Amended Claim back to IDWR to correct the source to Deep Creek (# 3). I need to clarify the location of the Spring and answer any questions you may have on In-Stream Stockwater use. My office telephone number is (208) 762.2816.

Respectfully,
