We, the undersigned, provide the following statement to amend and correct our claim for the Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 91-7692.

We are the current owners of Kootenai County property tax parcel 47N03W-34-5000 as shown on the attached aerial photograph and map. The map accurately shows the location of our property and two wells that we currently use to supply domestic and stock water to our property. Use of the two wells shown is governed by separate agreements that have been provided as Evidence with our Claim. The agreements separately provide for shared use of each of the wells by ourselves and other property owners.

We want to amend the Priority Date on Claim 91-7692 to September 8, 1985 as shown on the attached Building Permit and Page 19 of the Evidence submitted with our Claim. The Building Permit indicates that there was an existing mobile home on the property we now own (47N03W-34-5000) as of July 28, 1986. Page 19 of the Evidence provided with our Claim indicates that there were several wells already in use on the property as of September 8, 1985 for a one acre mobile home residential site and use of a shared well with a neighbor.
