RE: Snake River Basin Adjudication (SRBA)
Claim Number: A43-10840

Dear Mr. Edwards:

I have attempted to contact you by phone today without success, and am directing this letter to you as the signatory of the claim dated March 23, 1993.

When the above claim was filed in the adjudication for an irrigation water right for Almo Park, the address given to the Department was in care of Bud Ward. I realize that he is no longer on the Park Board, and we are in need of a complete address for the current representative, to ensure that subsequent correspondence regarding the above claim is received. Would you please see that the enclosed form is completed and returned to me? I have included a pre-addressed envelope for your convenience, and a copy of the claim as it was filed.

Your cooperation is appreciated.

Sincerely,

Vikie Hancock
Water Resource Agent

A43-07176 (LDS Church warm heating)

Conversation with Bud Ward this date
revealed that there are two cold
water wells. The well for the park
is in the NE corner of the park

The well for irrigation & domestic for the LDS church is just East of the Church Building.

The warm water well used for heating is a separate well ~~of~~ from the warm well in the same SE SE Sec. 22 used for irrigation by Tracy & Ward.
