Re: North Idaho Adjudication Notices of Claims – Potlatch
Our file: 1314-66

Dear Carter:

Enclosed with this letter are thirteen Notices of Claim to a Water Right in the Coeur d'Alene – Spokane River Basin Adjudication ("CSRBA") that I am filing on behalf of Potlatch Forest Holdings, Inc., and Potlatch Land & Lumber, LLC. A \$910 check for all the claim filing fees is included.

Also enclosed is a Request of Extension of Time to File Adjudication Claims. Based on our prior conversations, I understand that the requested extension of time will avoid additional fees for filing after the deadlines in Basins 91 and 92.

All of the attached Notices are for beneficial use claims for which water right numbers have not yet been assigned. I would appreciate it if you could have the water right numbers emailed to me once they are assigned.

Potlatch is continuing to research historical water uses on its lands, and may submit additional CSRBA claims in the future.

Please feel free to contact me if you have any questions.

Sincerely,

Michael P. Lawrence
