RE: Snake River Basin Adjudication (SRBA)
Claim No.: A43-11220 for Stockwater

Dear William and Rod,

Enclosed find two copies of the printed Notice of Claim and a receipt for the stockwater claim we put together yesterday. I double checked the beginning and ending points of diversion and did find an error. I think that the point where the river enters your place in section 32 is the SWSENE. I sent along a map with the river identified, because I think that, at the time, we became mixed up on which line was the river.

I also changed the place of use slightly. I added the NESE of Section 32, and corrected the NWSW Section 33 to read the NESW Section 33. Check the map and see if you agree.

Keep in touch on those proofs of priority needed for A43-04043 (Geroge Cr) and A43-10356 (Almo Cr), and let me know if I can be of any help. Thanks for coming in and helping me to understand your system.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Vikie Hancock', is written over a horizontal line.
