Patricia McCaffrey's water right # 73-11972, 73-11970

Don,

I hope you can understand my drawing. I am assuming that water right # 11970 was on the upper ditch (black line) in this drawing with 3.2 acres, 0.06 cfs, and water right # 11972 (yellow line) is the P6 for 2.8 acres, 0.07 cfs. My thought is that this property has approximately 6 irrigatable acres and should have 0.18 cfs of water. I don't know if it's possible to amend # 11972 to make this happen. You tell me, and if so, what can I do to make it happen?

Thank you,

A handwritten signature in black ink that reads "Mike Noonan". The signature is written in a cursive, flowing style. The word "Mike" is written above "Noonan", and there is a long, horizontal, slightly wavy line extending from the end of "Noonan" to the right.
