Re: 02-7036

Dear Mr. Morrison:

This agency has begun the review of water rights for the Snake River Adjudication. During that review a water right you hold was not claimed or filed in the adjudication. The water right is not licensed but an inspection of the right will be done during the next irrigation season. With these actions in the offing, the enclosed claim should be completed and returned to this office with a \$10 filing fee.

Thank you for cooperating and assisting in the adjudication.

Payment has not been received as directed in the certified letter you received on February 10, 1992. Rather than returning the claims to you, the record of the claims will go into a rejected status and remain in that category until payment is received from you. The account will continue to accrue interest, and any fees will not be returned whether the claims are investigated or not.

This will be your last notice until such time as the findings of the Director are included in his report to the Court of the water right claims in that area. Without further payment on the claim fee account, the findings of these claims will be that the claims were rejected for insufficient fees.

If your payment and this letter pass in the mail, I apologize for this letter.

Dear Mr. Hoff:

As I agreed in our telephone conversation on August 29, 1991, you will find enclosed a map and report I used to research whether any other recorded water rights existed on the lands already claimed by your client.

The bordered and cross-hatched area in general denotes the lands claimed by your client in the Snake River filings. (The photocopy of the aerial photo does not show these lands as irrigated because the flight was made in 1974.) No other water rights already of record before the adjudication were discovered on these lands.

Please contact me if you have any questions or need further assistance.

Dear Mr. Twiford:

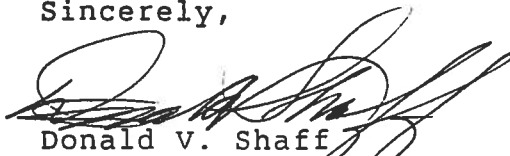

During my telephone conversation of April 5, 1991 with Jack Twiford, I was assured another payment would be sent promptly to replace the insufficient funds check we received from you on March 11, 1991. As of this date, we have not received that replacement check.

Receipt #C019786 - AR Account #W000002

Dear Mr. Twiford:

We are returning you check #1405 in the amount of \$417.31. We are suspending the processing of your Notice of Claims.

Your check issued in Wyoming has been returned to us because the account shows "Insufficient Funds". Adjudication Rule 3,3 states that in cases such as this, the department is unable to accept a notice of claim until such time as the proper fee is received by this office.

When an AR account is sixty(60) days past due the Notice of Claims will be considered rejected, will not be investigated, and consequently not recommended in the SRBA Directors Report. The payment mentioned above will be backed out of your account, and interest will be accrued as if no payment had been received.

To avoid the rejection of Notice of Claims filed by your company, please send us a money order for \$417.31 by April 5, 1991.

Yours truly,

David B. Shaw
