Payment has not been received as directed in the certified letter you received on February 10, 1992. Rather than returning the claims to you, the record of the claims will go into a rejected status and remain in that category until payment is received from you. The account will continue to accrue interest, and any fees will not be returned whether the claims are investigated or not.

This will be your last notice until such time as the findings of the Director are included in his report to the Court of the water right claims in that area. Without further payment on the claim fee account, the findings of these claims will be that the claims were rejected for insufficient fees.

If your payment and this letter pass in the mail, I apologize for this letter.

Sincerely,

RE: Snake River Basin Adjudication (SRBA)
AR Account #W000002

Dear Mr. Twiford:

During my telephone conversation of April 5, 1991 with Jack Twiford, I was assured another payment would be sent promptly to replace the insufficient funds check we received from you on March 11, 1991. As of this date, we have not received that replacement check.

Rather than returning the claims to you, the record of the claims will go into a rejected status and remain in that category until payment is received from you. The account will continue to accrue interest, and any fees will not be returned whether the claims are investigated or not.

This will be your last notice until such time as the findings of the Director are included in his report to the Court of the water right claims in that area. Without further payment on the claim fee account, the findings of these claims will be that the claims were rejected for insufficient fees.

RE: Snake River Basin Adjudication (SRBA) - Owyhee County
Receipt #C019786 - AR Account #W000002

Dear Mr. Twiford:

We are returning you check #1405 in the amount of \$417.31. We are suspending the processing of your Notice of Claims.

Your check issued in Wyoming has been returned to us because the account shows "Insufficient Funds". Adjudication Rule 3,3 states that in cases such as this, the department is unable to accept a notice of claim until such time as the proper fee is received by this office.

When an AR account is sixty(60) days past due the Notice of Claims will be considered rejected, will not be investigated, and consequently not recommended in the SRBA Directors Report. The payment mentioned above will be backed out of your account, and interest will be accrued as if no payment had been received.

To avoid the rejection of Notice of Claims filed by your company, please send us a money order for \$417.31 by April 5, 1991.

Yours truly,

David B. Shaw
Adjudication Bureau Chief
