RE: 43-12923

Dear Jack,

Thanks for returning your signed and notarized expansion claim 43-12923 and filing fee.

Enclosed are your receipt and a copy of the claim for your records. Feel free to call if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jeanie', is written over the printed name 'Jeanie Robertson'. The signature is fluid and stylized, with a large initial 'J'.

RE: NEW ADJUDICATION CLAIM NEEDED FOR EXPANSION ACRES IN SECTION 13

Dear Mr. Hunsaker,

Thanks for coming into the office and setting me straight about Transfer #2267! I have re-done this expansion claim and it is now for a total of 26 acres in Section 13. No additional acre fees are necessary, just the \$50.00 filing fee. Please look the claim over carefully and if you agree, sign, have notarized, and return to me with the fee as soon as possible. Keep a copy for yourself, if possible, or if not, let me know and I'll send you one.

On the other matter for M & H Farms, as yet I haven't found any transfers pertaining to the acres in Sections 2 and 3, T12S, R27E, and claimed by A43-04184. This claim had a priority date of 1959 and the 1962 and 1968 aerial photos show no irrigation. At this point, I'm recommending that claim as an expansion claim with a 1985 priority date and no additional diversion rate or volume. Please have Bob or yourself get in touch with me soon if you have additional information.

Sincerely,

A handwritten signature in cursive script that reads 'Jeanie'.

RE: NEW ADJUDICATION CLAIM NEEDED FOR EXPANSION ACRES IN SECTION 13

Dear Mr. Hunsaker,

I've about completed the review of your claims and now realize another claim is needed for the expansion acres in Section 13. These are acres put into use after the area was designated a Critical Groundwater Management Area in 1963. All such claims automatically have a priority date of June 30, 1985 and will receive no additional diversion rate or volume.

You originally filed claim A43-10563 for the expansion acres in Section 13, but this claim was also for expansion acres on your other property in Sections 22, 26, 27, and 35. Since these two areas were not inter-connected or part of the same system, a **separate** claim is necessary.

I have prepared this new claim (A43-12923) and request that you sign, have notarized, and return it to me as soon as possible with the \$50.00 filing fee. In analyzing the 1962 and 1968 aerial photos of this area, it appears only 379 acres were irrigated prior to 1963, not the 496 as you originally claimed. For this reason, I have reduced your other rights in Section 13 to 379 acres within the 522 acres irrigated today. This means that this new expansion claim is for the remaining 143 acres.

Please call for an appointment if you would like to discuss this matter or would like to bring the claim in personally. I am very busy with other reviews and may not be available to help if you do not call first for an appointment.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent

Gis Place of Use Presentation
1987/1988 Napp Photography
Prepared by Jeanie Robertson

GIS = 522 Ac.

Hunsaker Family Partnership: T11S, R27E, Sec. 13

- claimed 496 Ac and a total of 5.7 cfs under claims:

A43-04060D	4/5/54	0.33 cfs	496 Ac.
A43-04063D	5/1/55	0.85 cfs	496 Ac.
A43-10787	1/31/55	1.94 cfs	496 Ac.
A43-10795	5/1/57	2.58 cfs	496 Ac.

* A43-10787 is a combination of 43-02417 & 43-02418
for 0.97 cfs each

* A43-10795 is a combination of 43-04061C — 0.618 cfs
43-04062C — 0.569 cfs
43-04064C — 1.395 cfs

Transfer #2267 in 1978 made this area 496 Ac.

(only 379 Ac. appeared irrigated per '62 & '68 photos)

also claimed 12.4 acres as "expansion" under A43-10563

- this expansion claim was for 2 different places
and systems, not connected (for 107.8 acres total)

- recommended 67 acres under A43-10563 as
expansion for other area (not Section 13)

- this leaves 40.8 acres as paid for

- a new expansion claim was needed for Section 13
as "too confusing" the way it was filed

GIS = 522 Ac. minus the 496 acres = 26 expansion acres

A43-12923 expansion claim filed for 26 acres
($5.7 \text{ cfs} \div 522 \times 26 = 0.28 \text{ cfs}$, no volume)
