RE: NEED FOR EXPANSION CLAIM FOR 11 ACRES IN NWNW SECTION 6

Dear Mr. Buck,

In reviewing your adjudication claims, I have discovered that you have only claimed 40 acres in the NWNW of Section 6, Township 12 South, Range 28 East. Section 6 is actually a correction section and there are 51 acres instead of 40. You have filed claims A43-02317E, A43-02339E, A43-02467E, & A43-02510E for licensed rights, and beneficial use claim A43-04002E, which all cover the 40 acres. An additional claim for the 11 acres is needed. This will be an expansion claim per Idaho Code 42-1416b. These claims have a priority date of June 30, 1985 and have no additional diversion rate or volumes associated with them. If you decide not to file an expansion claim, you will be limited to 40 acres in that tract.

Please call if you would like me to prepare such a claim and send it for your signature and notarization. There will be a \$50.00 filing fee plus \$1.00 per acre, for a total of \$61.00. If you would like to come to the office to take care of this, please call ahead first to be sure I will be available to help you. This needs to be taken care of as soon as possible, as we are preparing to issue our preliminary recommendations very soon.

If you have any questions, feel free to give me a call at the office.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jeanie', written over the printed name.
