RE: Digital Boundary Maps and CD for North Fork Reservoir Company
Subcase Nos. 21-110, 21-111, 21-112 and 21-2154, 21-2161, 21-12946

Dear Clerk:

Enclosed are copies of the digital boundary maps and compact discs for the North Fork Reservoir Company (North Fork) rights listed above. The Court received maps and cds in April of this year on contested rec/rec rights 21-2154, 21-2161 and 21-12946. Because related rights 21-110, 21-111 and 112 had already moved to partial decree, IDWR did not reference those 3 rights on the April 2012 North Fork digital boundary cd and maps.

The claimant orally moved to set aside the partial decrees of 21-110, et al. in September 2012, and proceedings on the motion have been continued to December 19, 2012. For the Court's review, IDWR is providing draft Amended Director's Reports for rights 21-110, 21-111 and 21-112 which align the rights with the 21-2154 group of rights, as well as a cd which includes both groups of North Fork rights noted on the cover to allay subsequent confusion. To be clear, the digital boundary provided to the Court earlier this year for North Fork has not been changed.

Should you have any questions, please feel free to contact me at 208-287-4816. Thank you.

Sincerely,

A handwritten signature in black ink that reads 'Vicki Kelly'.
