Dear Ron

Enclosed are your copies of the claims, the data entry form and receipt. Hopefully, the next time you come in the system will be working and we won't have to generate all the extra copies.

Please review the computer generated claims to confirm that they are data entered as you intended them to be. If there is a problem please let me know right away.

As our deadline is rapidly approaching I encourage you to obtain the development dates and supply that information to me as soon as possible. Without that information I am required to recommend those rights as disallowed.

If you have any questions let me know.
